PREPARED WORK**Work 1**

Candidates must present an individual Integrated Performing Arts presentation of his/her own choice. The individual presentation should include aspects of dance, drama and music, e.g. poems, extracts from musicals, own choreography, mime etc. This presentation should take about **5 minutes**.

Candidates should provide the examiner with a well-designed programme with titles of scenes and an approximate time frame.

[35]**Work 2**

Work 2 requires a group presentation of not more than **4 candidates** per group of about **8 minutes**. All learners in the group must be **equally involved** in the performance, but will be separately assessed.

The group presentation should include the aspects of Integrated Performing Arts on the theme:

Water.

Our country is very dependant on water and we cannot survive without it. This natural resource is often wasted and polluted.

Create your own story, expressing through music, dance and drama what you want to say about this topic.
